About Children's Health Queensland Hospital and Health Service

Children's Health Queensland Hospital and Health Service (CHQ HHS) is a recognised leader in paediatric healthcare, teaching and research. With a dedicated team of more than 4500 people, our point of difference is in the way we provide care to children, young people and their families every day. This is through our steadfast commitment to providing patient and family-centred care at every level of our service and our continuous drive for service and operational excellence.

Our Vision

Leading life-changing care for children and young people - for a healthier tomorrow.

Our Purpose

To offer the best: safe, expert, accessible child and family-centred care for children and young people.

Our Values

Respect – teamwork, listening, support - *We listen to others*

Integrity – trust, honesty, accountability - *We do the right thing*

Care – compassion, safety, excellence - *We look after each other*

Imagination – creativity, innovation, research - *We dream big*

For further information please visit the [CHQ HHS](#) website.

Your Opportunity

The position of **Digital and web developer** will:

- Support the development and maintenance of the Children's Health Queensland (CHQ) website, intranet sites and affiliated apps. These resources support the clinical and non-clinical services of the Queensland Children's Hospital and wider organisation.

Your Role and Responsibilities

You will fulfil the accountabilities of this role in accordance with the CHQ HHS core values and as outlined below:

- Working with the wider communication team, help develop new digital and web resources which positively promotes our broad range of health services for Queensland children, young people and their families.
- Follow project schedules and timeframes and actively manage workloads to deliver new digital solutions and web projects which help support overarching health promotion and marketing campaigns and objectives.
- Knowledge of contemporary web development, including wireframing, UX design and mobile responsiveness, to deliver innovative digital solutions which focus on our audience usability and accessibility.
- Ability to structure and optimise content for online consumption using web development tools to cater for a range of target audiences.
- Experience using web development tools and content management systems, such as WordPress and Squiz, and a range of web coding languages including HTML, CSS, Javascript, PHP to deliver a customer-focused and engaging online experiences.
- Utilise available data and analytics tools to inform, monitor and evaluate the performance of online resources and provide recommendations for improvement to support and achieve the desired goal.
- Support and comply with workplace health and safety, equal employment opportunity, anti-discrimination and code of conduct policies and principles.

Position Reports To

- Digital Engagement Manager

Staffing and Budgetary Responsibilities

- Nil requirements

Qualifications/Professional Registration/Other Requirements

- Relevant qualifications and/or industry experience is essential.

Your Application

Please provide the following information for the Selection Panel to assess your suitability:

1. **A portfolio of work** which demonstrates your ability to meet the requirements of the role listed under 'Role and responsibilities'.
2. **Your current CV or resume**, including two referees that can attest to your performance and conduct in the workplace. Referees should have a thorough knowledge of your capabilities, work performance and conduct within the previous two years, and it is preferable to include your current/immediate/past supervisor. By providing the names and contact details of your referee/s you consent for these people to be contacted by the selection panel. If you do not wish for a referee to be contacted, please indicate this on your resume and contact us to discuss.

3. Application form (only required if not applying online).

Additional Information for Applicants

- For details regarding salary information, leave entitlements, flexible working arrangements and other benefits please refer to the attached Applicant Information and Guide or visit the [Queensland Health](#) website.
- All relevant health professionals (including registered nurses and medical officers) who in the course of their duties formulate a reasonable suspicion that a child or youth has been abused or neglected in their home/community environment, have a legislative and a duty of care obligation to immediately report such concerns to Child Safety Services, Department of Communities.
- Pre-employment screening, including criminal history and disciplinary history checks, may be undertaken on persons recommended for employment. Roles providing health, counselling and support services mainly to children will require a Blue Card.
- Employees who are permanently appointed to CHQ HHS may be required to undertake a period of probation appropriate to the appointment.
- Applicants will be required to give a statement of their employment as a lobbyist within one month of taking up the appointment. Details are available at the [Public Service Commission Lobbyist Disclosure Policy](#)
