### Hervey Bay Hospital

#### Life in Hervey Bay

Do you want to start your day with a peaceful stroll along the beach, enjoying the fresh ocean air? The Wide Bay is arguably one of the most beautiful regions in Queensland, Australia and is known for its relaxed, family-friendly lifestyle. Hervey Bay and the Fraser Coast region is just a quick 45-minute flight north from Brisbane and boasts one of the fastest growing populations in Australia. Get up close and personal with the humpbacks in the whale watching capital of the world, or explore the four-wheel-drive tracks of World Heritage-listed Fraser Island, and be sure to look out for the dingos! With an enviable year-round climate, Hervey Bay is bordered by endless stretches of white sandy beaches which are arguably the safest, family-friendly beaches on the Queensland Coast. The stunning esplanade is dotted with parks, playgrounds, picnic areas, piers, cafes, restaurants and shops to keep the whole family entertained, and don't forget the free waterpark! Hervey Bay is a water lovers' paradise made for year-round family fun and adventures.

#### About Hervey Bay Hospital

Hervey Bay Hospital is the acute 142-bed facility on the Fraser Coast and works in close partnership with the 80-bed Maryborough Hospital to deliver high quality health care to the community. A comprehensive range of health care services are available including acute inpatient and outpatient services and community health, oral health and community mental health services, some of which are provided at off campus sites including 'The Village'. Hervey Bay Hospital is currently undergoing a major multi-million-dollar upgrade including an expanded Emergency Department, ICU and Education Centre. Since it opened in 1997, Hervey Bay Hospital has built a reputation for excellence especially in professional education and attracts medical and nursing programs in conjunction with a number of renowned Queensland universities.

#### Education and training opportunities

With the Wide Bay Hospital and Health Service you will be supported to further your knowledge and skills to help us achieve our vision of 'Care comes first...through patients' eyes'. We are very committed to providing a wide range of education opportunities and experiences for all staff, including simulation, conferences, grand rounds, satellite broadcasts, mentoring, succession planning, ward based education calendars and mock scenarios. Research is also encouraged and supported at all levels.
