Job Ad Reference	BA4F571522	Closing Date	Sunday, 28 July 2024

*Please note: there may be a requirement to work at other facilities located across Central Queensland Hospital and Health Service

Moura Multi-Purpose Health Service

Moura is situated approximately 180kms west of Rockhampton in the fertile Dawson Valley. The Moura Community Hospital comprising two emergency department (ED) resuscitation bays, 2 short stay beds, 2 inpatient bays, 2 treatment rooms and 3 consult rooms was completed in May 2015. This 'Community Hospital' is a new concept for Queensland Health (QH), and a hybrid between an outpatient centre and a traditional rural Hospital.

Services:

- 24-hour Accident and Emergency services
- General Medical and Surgical services
- Paediatric
- Palliative Care
- Pharmacy

Outreach and Visiting Services:

- Mental Health services
- Drug and Alcohol services
- Women's Health services
- Radiographer services

A regular outpatient session is held at the hospital each day, Monday to Friday. The Medical Superintendent with Private Practice and Medical Officer with Private Practice hold private clinics at a surgery next to the hospital.

CQ Health
Living our values

Care	We are attentive to individual needs and circumstance	Integrity	We are consistently true, act diligently and lead by example
Respect	We will behave with courtesy, dignity and fairness in all we do	Commitment	We will always do the best we can all of the time

The Moura Multi-Purpose Health Service is the pilot site for the State-wide Telehealth Emergency Medicine Support Unit. The unit links staff with emergency specialists at the Rockhampton and Emerald Hospitals to make diagnoses and reduce the need for unnecessary transfers of patients.

Moura has a pro-active community committee, the Moura and District Healthcare Association (MDHCA) which has been instrumental in supporting sustainable quality healthcare, and recognises as a priority, the attraction and retention of doctors and supporting health professionals for the district.

The Opportunity

The Medical Superintendent Private Practice (MSPP) will be responsible for the provision of safe, efficient quality medical services to inpatients and outpatients of the Moura Community Hospital including the provision of 24-hour emergency department coverage.

This position has the right to Private Practice. The surgery is located in Minogue Street, Moura. An opportunity exists to maintain selected skills at the Moura Community Hospital and it is intended the Medical Superintendent Private Practice will maximise his or her professional development as part of this appointment.

The provision of clinical services for Central Queensland Hospital and Health Service is provided as one service, multiple sites. In order to meet service needs the Medical Officer may be required to provide clinical services at any facility within the Central Queensland Hospital and Health Service, in line with the clinical services capability of the that facility.

In addition, this position is eligible for the Remote Vocational Training Scheme (RVTS), which can be applied for following recruitment and appointment.

The Role

- Provide clinical services to patients of the hospital and private practice in accordance with the credentials and clinical privileges process and within the clinical service capability framework including accident and emergency response, general practice medicine and primary health care services.
- Participate in the documentation and benchmarking of clinical indicators with appropriate practice benchmarks and address any anomalies identified.
- Ensure the provision of 24-hour 7 day a week roster arrangement for medical support to the Moura Hospital.
- Knowledge and skills in advanced procedural skills, in one or more of the following areas:
 - General Practice
 - Emergency Medicine
 - General Surgery
 - Anaesthetics
- Ensure medical services meet Accreditation, Professional and Queensland Health Standards.
- Positively promote the medical services to the community and assess community needs and develop programs to address service “gaps” and target high risk groups.
- Participate in the planning, implementation and evaluation of health promotion and illness prevention programs.
- Ensure a high quality and cost-efficient clinical practice through participation in the development and maintenance of quality enhancement and improvement strategies including participation in peer review, clinical audits, clinical coding, the use of evidence-based treatment protocols and guidelines and high-quality clinical documentation.
- Maintain and enhance clinical skills/knowledge to reflect contemporary, rural medical practice and theory and to fulfil the clinical duties of the position.

Mandatory Qualifications / Professional Registration / Other Requirements

- **Mandatory qualification/s:** MBBS or equivalent eligible for registration as a Medical Practitioner with the Medical Board of Australia, Australian Health Practitioner Regulation Agency (AHPRA).
- Fellowship of either the Australian College of Rural and Remote Medicine (FACRRM) or Royal Australian College of General Practitioners (FRACGP) is highly desirable.
- Advanced skills in Emergency Medicine or commitment to complete AST – Emergency Medicine / FARGP – Emergency Medicine (ACRRM / RACGP) is highly desirable.
- **Credentialing:** The appointee will be required to undergo a credentialing process and will be granted appropriate scope of clinical practice. There is a system of review and renewal of credentials and Scope of Clinical Practice for Specialists and Non-specialist Senior Medical Officers on staff. This is reviewed on a five-yearly basis. Your qualifications, registration and certified skills and competencies determine the scope of clinical practice you will be granted and subsequently your position title and salary status.
- **Proof of identity documents:** Candidates must provide certified copies of requested proof of identity documents for the purposes of General Criminal History and National Police Certificate checks.
- **Proof of qualification:** Appointment to this position requires proof of qualification and if applicable registration or membership with the appropriate registration authority or association. Certified copies of the required information must be provided to the appropriate supervisor/manager, prior to the commencement of clinical duties.
- **Aged care criminal history clearance:** Potential applicants are advised that the *Aged Care Act 1997* requires Queensland Health employees and volunteers of aged care services (applicable areas only) to have a current National Police Certificate. Queensland Health will facilitate the applicants obtaining the above check.

- **Disclosure of Serious Disciplinary History:** Under the [Public Sector Act 2022](#), applicants are required to disclose any previous serious disciplinary action taken against them.
- **Licence to operate vehicle:** This position requires the incumbent to operate a class C motor vehicle and an appropriate licence endorsement to operate this vehicle is required. Proof of this endorsement must be provided prior to the commencement of duty.
- **Travel:** Travel throughout the health service may be required as part of this position.
- **Vaccine Preventable Diseases:** It is a condition of employment for this role for the employee to be, and remain, vaccinated against the following vaccine preventable diseases during their employment
[Health Employment Directive No. 01/16:](#)
 - Measles, Mumps, Rubella (MMR)
 - Varicella (chicken pox)
 - Pertussis (whooping cough)
 - Hepatitis B
 - All new employees who will be working in clinical areas must be assessed for their risk of tuberculosis and screening undertaken if required.Further vaccinations may be required due to risks for a role; examples include:
 - Hepatitis A – Workers in regular contact with untreated sewerage
 - Q Fever – Research or Laboratory staff regularly handling specimens
 - Influenza

How you will be Assessed

You will be assessed on your ability to demonstrate the best fit for the role. Within the context of the responsibilities described under 'The Role', the ideal applicant will be someone who can demonstrate the following:

- Demonstrated knowledge, skills and experience across a variety of clinical fields (e.g. primary care, emergency and general medicine, geriatrics, mental health, drug and alcohol), with an ability to provide an effective and efficient range of general practice services including safe childbirth in emergency situations.
- Sound knowledge of community health, public health and epidemiology, Aboriginal Health, Drug and Alcohol issues and health education.
- High level interpersonal skills for written and verbal communication with health service agencies, non-government organisation, community groups and medical professionals at all levels.
- Proven ability to work effectively as a member of the team with an ability to promote and adapt to change.
- Participation in relevant professional development, research and continuous learning to ensure the progression of individual clinical standards.
