Your employer

The Department of Education (DoE) is committed to delivering responsive services focused on equity and excellence to Queenslanders and their communities. We promote equity and excellence by our commitment to respect, protect and promote human rights. Our objectives are: a strong start for all children, every student realising their potential, fair and safe workplaces and communities, capable people delivering our vision. Our vision is one of equity and excellence in a progressive, high performing education system that realises the potential of every student.

For more information about the department, please visit our website at www.qed.qld.gov.au

Your opportunity

As the Senior Education Officer, you will:

- Develop and operationalise strategic initiatives to support educational outcomes by providing specialist expertise and services to senior management on a range of strategies.
- Participate in a range of project teams to implement reform strategies by understanding and ensuring compliance with the legislation and policies that impact on initiatives.

The Senior Education Officer reports to the nominated officer in the relevant location.

Your role

Responsibilities include:

- Apply specialist expertise to oversee and manage all aspects of implementing departmental initiatives and strategies, focusing on actions relating to project management and leadership of relevant programs.
- Proficiently adapts consultation expertise to develop and lead a peer review process of a range of strategies.
- Understands the current educational environment and provides advice on processes and protocols for a coordinated implementation approach to a range of strategies.
- Liaise, consult and collaborate with internal and external stakeholders to provide high quality advice within agreed state wide frameworks and processes.

- Demonstrates a high level commitment to professional development and the best practice approach to implement strategies that contribute to improvement.
- Imparts a thorough understanding of the practicalities of improvements to ensure uptake of improvement strategies and initiatives.
- Provide current educational research, evidenced based practices and effective use of available technology to lead and manage teams with the aim of improving outcomes.
- Design and implement effective options to align improvement initiatives with statewide implementation activities.
- Understands and effectively communicates opportunities for improvement by negotiating and redesigning systems and processes to optimise outcomes.

Other responsibilities (as required)

- Other suitable duties, consistent with the duties and responsibilities of the position as directed by the supervisor or nominated delegate.

A mandatory requirement of this role is:

Eligibility requirements:

- You must be a permanent employee of the department with a substantive teaching or classified officer role employed under *Teaching in State Education Award – State 2016*, have current full registration as a teacher and should be aware that temporary internal moves for the purposes of the department's payroll processes are referred to as internal secondments.
- Employees engaged temporarily as Education Officer - Special Duties have a requirement of 36¼ hours per week attendance and arrangements as outlined in *clause 5.12 of the Department of Education State School Teachers' Certified Agreement 2022*.

Competencies – How you may be assessed

[Leadership Competencies for Queensland](#) describes what highly effective, everyday leadership looks like in the public sector. In simple, action-oriented language, it provides a common understanding of the foundations for success across all of our roles within the department.

Option 1

Vision:

- Leads strategically – thinks critically and acts on the broader purpose of the system.
