## Life in Maryborough

Do you want to start your day enjoying your morning coffee while listening to the kookaburras? The Wide Bay is arguably one of the most beautiful regions in Queensland, Australia and is known for its relaxed, family-friendly lifestyle. Maryborough and the Fraser Coast region is just over three and a half hours' drive north of Brisbane. Maryborough is known as the 'Heritage City' and is rich in history and culture and home to some fantastic art galleries and museums. It is also the birthplace of 'Mary Poppins' author, Pamela Travers. The Fraser Coast is a stunning tapestry of nature's wonders, featuring the World Heritage-listed Fraser Island, the Great Sandy Strait, marine parks, wetlands, ancient rainforests and a stunning coastline of pristine, white sandy beaches. The beauty of the Fraser Coast is not confined to the coast, with mountains, national parks, native woodlands, dense rainforest, and the beautiful Mary River.
